

WORLD ANIMAL DAY

October 4th

5 to 7-year-olds

Organise your learners into teams of 4 or 5 and let them know that they are going to take part in an animal quiz (use the **Animal quiz sheet**).

After the quiz, ask learners to choose their favourite animal fact from the quiz and to create a picture illustrating this animal fact (learners should draw the animal and label what it can do).

Pictures can be exhibited in the classroom or in the school corridors.
