

WORLD FARM ANIMALS DAY

October 2nd

8 to 12 -year olds

Get learners to match each farm animal to its use or product using the **Farm animals and products** flashcards.

Ask learners what animal use they are most thankful for (meat? Transport? Milk? Etc...)

Ask learners to write a 'thank you letter' to the animal whose use they are most thankful for, using the **Thank you letter farm animals example** as a template.

Decide with learners where the best place would be to exhibit the letters.

If there is time, introduce the Five animal welfare needs by watching this video <https://www.youtube.com/watch?v=UBsOiwbMuxI>.

If you don't have access to technology, ask learners to match up what they need to live a comfortable life with what farm animals need to also live a comfortable life, using the **Welfare needs flashcards**.
