

# One word each

## Reviewing knowledge

---

This activity will help your learners recall information in a fun way.

---

---

### preparation

- Prepare a list of questions related to the information that you would like your learners to review.

---

### procedure

- Let your learners know that they will answer a question by only providing one word each.
- Decide on which learner will start answering (giving just the first word of the answer) and make sure the learners know who will say their word next by deciding on a clear order: will you go clockwise or row by row?

---

### example

- Question: What are the five animal welfare needs?

Learner 1: 'Nutritious'

Learner 2: 'food'

Learner 3: 'and'

Learner 4: 'fresh'

Learner 5: 'water'

Etc...
