

I need plenty of fresh water throughout the day, especially when it is hot.

Feed me cat food or fresh meat.

Let me have some shade when it's too hot or when I am resting.

Take me to the vet if you think I am not looking well or am behaving strangely.

Treat me with respect; I don't want to get hurt.

Please don't try and touch me if I want to be left alone.

Let me run around and hunt small animals.  
I like to be left alone quite a lot.

I need fresh water all day and night,  
especially when it is hot.

I like to eat worms and insects, but you can  
feed me seeds and grains.

Let me have some shade when it's too hot.  
At night I need to be safe behind a fence.

Take me to the vet if you think I am not  
looking well or am behaving strangely.

Treat me with respect; I don't want to get  
hurt.

Let me be with my friends and family.

Make sure you throw my food on the  
Floor; I love scratching around to find it.

I need plenty of clean water all day, especially when it is hot.

I need to be fed healthy food, though not avocado, as it is poisonous to me!

I like to lie down a lot, especially after I've eaten. So I need a comfortable, clean area where I can rest.

Take me to the vet if you think I look ill or in pain.

I like to have quite a lot of space so don't put me in a small pen with lots of other animals.

Let me be with my friends and family.

This is what makes me happy.

I need plenty of fresh water throughout the day, especially when it is hot.

I eat dog food, or fresh meat and vegetables, or rice or pasta.

Let me have some shade when it's too hot or when I am resting.

Please keep me safe at night so I don't get hurt.

Let a vet give me an injection to avoid rabies.

Take me to the vet if you think I am not looking well.

Treat me with respect.

I don't like to get hurt or be shouted at.

Let me be with my friends and family. I like to run around and dig.

I don't like to be tied up for long, it can make me bark and get aggressive.

I need plenty of fresh water all day and night, especially when it is hot.

I eat fresh hay and cereals, fruit and vegetables.

Let me have some shade when it's too hot or when I am resting.

Please keep me somewhere safe in the evening so I don't get hurt or stolen.

Don't make me carry too much.

Brush me every now and again; my coat should be shiny.

Get me to move by offering me a bit of food instead of hitting me.

Let me be with my friends and family when I'm resting. That's what makes me happy.
